Winemaker's Notes	<p>Our second wine in our new 'Sisterhood' series, and the 'sister' to big sister, Severine, Saffron is our very first sparkling Rosé, bottled in a reusable bottle. Each of these wines is named after and inspired by a strong female character in a cult movie. References to both the character and movie can be found on the back labels of the wines. We like to think that the wines very much embody the spirit of the character which inspired their names. This wine shows explosive notes of ripe fresh cherries with a touch of bergamot and a crisp seam of acidity. Festive, fun, and rather fancy. We hope you will enjoy this limited release beauty. She was absolute treat to create.</p>
